

**INSTRUCTIONS**  
***Proposed Budget***  
***Equal Access Fund: 2006-2007 Grant Year***

Rule 5.1 of the Rules Regulating Interest-Bearing Trust Fund Accounts states that recipients must submit a budget for the expenditure of the allocation within 30 days after notification of a proposed allocation of funds.

This proposed budget should describe how you will spend your allocation during the period from October 1, 2006 to September 30, 2007. Please feel free to contact the Legal Services Trust Fund Program staff to discuss your plans and proposed budget while you are in the process of completing the budget package.

When the forms are complete, please print them out, have the appropriate person sign the cover page, and mail one original and four copies, to be postmarked no later than August 21, 2006, to the Legal Services Trust Fund Program office. Also, please e-mail the documents to [trustfundprogram@calbar.ca.gov](mailto:trustfundprogram@calbar.ca.gov).

There is a cover page and **five** forms to complete. The forms are the same for Qualified Legal Services Projects and Qualified Support Centers, except Form E which is to be completed only by Legal Services Projects.

**You must budget these funds for specific projects or activities, including the cost of staff and other expenses to carry out the project. While the commission will not approve budgets that propose to use this grant for general operating support, for the first time, programs will be allowed to allocate a corresponding share of non-personnel expenses that are necessary to implement the proposed project(s). Please feel free to contact Legal Services Trust Fund Program staff if you have questions about this requirement.**

## DEFINITIONS FOR COMPLETING FORM C

**Form C** should incorporate all of the project expenses associated with your 2006-07 EAF grant. Do not complete a separate Form C for each project.

**Legal Services Projects that serve one county:** Put name of county served on "County" line.

**Legal Services Projects that serve more than one county:** Complete one Form C showing the total of all the individual county forms; put "Summary" on the "County" line and show your total allocation. In addition, complete a separate Form C for each county for which you have received an allocation.

**Support Centers:** Put "Statewide" or "Support Center" on "County" line.

## PROGRAM/ADMINISTRATION

**Form C** asks for an itemization of funds budgeted for "program" and "administration." The general distinction between the two kinds of expenditures is as follows:

**Program expenses** include the cost of personnel, personnel-related and non-personnel items directly related to the provision of legal services, including any services necessary for the disposition of legal matters.

**Administration expenses** are personnel, personnel-related and non-personnel costs supporting general office operations, rather than legal program expenses.

Consistent with the kinds of services provided by your organization and the project-based budgeting required for these Equal Access funds, the commission expects that almost all of the funds will be allocated to program expenses and to personnel expenses. Allocations to administration and non-personnel expenses should be minimal. They must relate directly to the work of the funded project and must be explained clearly.

## EXPENSE CATEGORIES
